---

Los Angeles is a city of glamour, luxury, beauty, and big dreams. All of these elements come together in the large estates and high-end residences built by the best general contractors in the metro area.

To build the lists we looked into government building permit data, customer reviews, awards and accolades, accreditations and memberships, media features and coverage, company profiles and work history, and the project aesthetics of hundreds of residential general contractors in Los Angeles. All seven major factors were scrutinized to determine which contractors should be included in the lists. In the firms below, you will find glowing reviews, solid experience, impressive portfolios, fine artistry, high-end design, and excellent customer service.

## 2. Dugally Oberfeld Inc.

In 1993, Matthew Dugally and Mauricio Oberfeld began what has become recognized as a high-end luxury home-building company, Dugally Oberfeld Inc. The combined expertise of Matt, with his degree in urban planning and land development, and Mauricio, with his architecture and construction degree, make for a formidable team in planning high-end home builds. The result? Dugally Oberfeld Inc. can boast an exclusive clientele.

The firm's prowess is also versatile in style. Their estates range from Tuscan-inspired homes to modern contemporary – all situated in the neighborhoods of Los Angeles, Orange County, and the San Francisco Bay Area. The firm promises to exceed client expectations.

For their work, Dugally Oberfeld was featured numerous times in Forbes, Luxe magazine, California Homes, LHQ, LA Confidential, California Home Design, OASIS, Curbed Los Angeles, The Business Journal, Los Angeles Times, and The Perfect Home.
