OUR HISTORY.

Dugally Oberfeld was established in 1998, with the goal of building homes that leave a legacy. With backgrounds in construction and architecture, founders Matt Dugally and Mauricio Oberfeld sought to create a firm that seamlessly integrates the fields of architecture, design and construction.

OUR PASSION.

For us, it's simple. We strive to build with excellence and uncompromised integrity. We want to create the finest homes through a harmonious and innovative process that offers absolute integration resulting in unmatched quality and service.

OUR WORK.

We pride ourselves on our versatility. Whether the vision is a French château, an Italian villa or a cutting-edge contemporary residence, Dugally Oberfeld will exceed every expectation and build a memorable home.
